I declare under the penalty of law that I have examined this extension (including any accompanying schedules and statements) and, to the best of my knowledge and belief, it is true, complete, and correct. I understand the penalty for willfully delivering a false extension or document to DRS is a fine of not more than \$5,000, imprisonment for not more than five years, or both.

I acknowledge that filing this extension only extends the amount of time to file and does **not** extend the amount of time to pay the amount of tax due.

This is not an extension of time to pay your tax. Payment must be included if any tax is due or interest and penalty may apply. An extension granted by the Internal Revenue Service does not automatically extend the Connecticut filing date. Notification will be sent only if the extension request is denied.

If you are no longer subject to the Corporation Business tax in Connecticut; please go to the "More..." tab and then "Taxpayer Updates" to close your Corporation Business tax.

OOPS? If you want to make a change, it is not too late. While an extension is still pending, you can return to your account, view your submission, and edit as necessary.
